

OMIK Amateur Radio Association, Inc.

Dear OMIK Area Directors • OMIK Members • Friends

One of the fundamental purposes of the OMIK Amateur Radio Association, Inc. is to encourage and motivate youth to aspire to higher goals in their respective fields by offering scholarships to deserving youth. This purpose is met each year through partnership with the OMIK Scholarship Fund which is a 501(c)(3) organization.

In the past the OMIK Scholarship Fund has been meeting its goal of awarding seven to ten scholarships in the amount of \$1,000 each.

To assist the Fund in maintaining or exceeding its goal in 2017 and beyond, the Executive Board of the OMIK Amateur Radio Association, Inc. is asking each call area to raise \$1,000.

Raising money is always challenging but the OMIK Scholarship Fund is our way of paying it forward to these future scholars and leaders.

Please complete the Donor Form, circle your call area, make your check or money order payable to the OMIK Scholarship Fund and mail to the Scholarship Custodian listed on the bottom of the form page.

The future is worth our investment!

Thank you for your support.

M. Joyce Spight, N9YXM, OMIK Scholarship Fund Custodian
