Dear Friends :

Thank you all for your generous donation to The Salvation Army. Please accept my thanks for making a difference in the lives of our friends and neighbors who are dealing with personal tragedies or national tragedies – either of which can destroy a family or an individual. As requested, your gift will be used to help the victims of Hurricane Sandy.

Supportive friends like you help The Salvation Army provide spiritual comfort, hope, a focus on the future, hot meals, welcoming shelter, clothing and emergency aid to thousands of people who are in difficult circumstances due to poor decisions or circumstances beyond their control. Each day, The Salvation Army invests in children and adults by meeting emergency and basic needs as well as encouraging them through life enhancement programs with the ultimate goal of self-sufficiency. To see The Salvation Army programs in action, please take the time to visit our website [www.stlsalvationarmy.org](http://www.stlsalvationarmy.org).

You have chosen to help others through The Salvation Army. Your compassion in action will not be forgotten. You are a shield against the dangers in the world. Our families and all of us at The Salvation Army thank you for joining us in “Doing The Most Good®.”

God bless you,

Lonneal Richardson  
Major  
Divisional Commander
